Zoom Poll

G4P Day 1 Summary

- Questions posed today:
  - Use google doc to ask and answer questions
  - We can move these conversations to Slack or GitHub issue tracker after the workshop if people prefer

- What does your data look like?
  - If you have access, have a look at your database before tomorrow
  - What georeferencing fields do you have on your forms?
  - Are you using them?
  - Of these fields, which ones are you sharing with aggregators (e.g. iDigBio, GBIF)?
