

# G4P Day 2 Content

- Ultimate Goal:
  - Develop a community sourced set of guidelines and best practices for capturing, recording, and sharing PaleoGeoref data
- Guidelines
  - Benefits and development
- Terms deep dive
  - Based on feedback from day 1
  - Current usage
  - Example guidelines
- Moving the Conversation forward
  - Paleodata happy hour?
  - Collaborate with other efforts (e.g., Darwin Core Hour webinars)

# Ice Breaker Question Day 2

What is one food you hate that everyone else loves?

- Head over to the Collaborative Notes in Google Doc:
  - <https://bit.ly/3eEpkag>
  - Scroll Down to Notes for Wednesday
  - Find question and either add your choice, OR
  - If your flavor is already listed you can add +1 next to that option

# Zoom Poll

# Day 2 Summary

- Next Steps?
- Group Picture!

*Please provide feedback to us in this anonymous survey!*
